

# Forest Rhymes

(Jason Ringenberg)

Out in the forest what do you see  
Looking at you and looking at me?  
It has brown hair and rhymes with cheer  
Goodness I think it's a deer  
It's a deer

CHORUS:

Rhyming is so fun to do, go ahead and try  
Play a game with words and you can let your spirits fly

Out in the forest what do you see  
Running up in the branches nimbly?  
It buries nuts and rhymes with girl  
Goodness I think it's a squirrel  
It's a squirrel

Out in the forest what do you see  
Hissing at you and a hissing at me?  
It's long and black and rhymes with bake  
Goodness I think it's a snake  
It's a snake

Out in the forest what do you see  
Singing to you and a singing to me?  
He plays guitar and rhymes with mason  
Goodness it's a Farmer Jason  
It's a Farmer Jason
